

Donate new or used

# Shoes and Backpacks

So that these kids

Can go to school

**The state requirement in the Dominican Republic to attend public school is a pair of shoes and a backpack.** Unfortunately, thousands of children live without these commonplace items.

Give the new and used shoes and backpacks new life through

## Passport to School

Collect donations of all shapes and sizes (I can take adult shoes too!) and bring them to the next meeting.

**Your help is greatly needed and appreciated!**
