1111 Jackson Avenue
Takoma Park, MD 20912 USA
001-301-920-0068; jana@asher-resnick.us

EDUCATION

- 2016 Carnegie Mellon University *Pittsburgh, PA*
Doctor of Philosophy, Statistics, December 2016
Thesis: *Methodological Innovations in the Collection and Analysis of Human Rights Violations Data*
- 1999 Carnegie Mellon University *Pittsburgh, PA*
Master of Science, Statistics, June 1999
- 1991 Wellesley College *Wellesley, MA*
Bachelor of Arts, Anthropology and Japanese Studies, June 1991
(*cum laude*)

RESEARCH AND CONSULTING

- 2016 Consulting Statistician *Bethesda, MD*
AABB
Assistance developing surveys and analyzing results.
- 2009 - 2011 Executive Director and Founder *Takoma Park, MD*
StatAid
Managed all aspects of a nonprofit statistical consultation and research organization. Projects in Zimbabwe, Kenya, Columbia and the USA.
- 2008 - 2009 Consulting Statistician *Bethesda, MD*
Center for Disaster and Humanitarian Assistance Medicine
Uniformed Services University of the Health Sciences
Designed data analysis and prepared reports related to health surveys in Liberia and Iraq, and assisted in development of a web-based survey for Iraqi expatriate doctors.
- 2007 - 2009 Consulting Statistician *Washington, DC*
American Association for the Advancement of Science (AAAS)
With Katrina Kelner, develop a plan to determine the quality of statistical information in Science magazine articles, implement that plan, and develop a proposal for ensuring statistical quality in future publications.
- 2005 - 2007 Senior Program Associate, Consulting Statistician *Washington, DC*
Science and Human Rights Program (SHR)
American Association for the Advancement of Science
Managed casework activities of the AAAS Human Rights Action Network (AAASHRAN), organized SHR events, represented SHR-AAAS on the steering committee of the African Transitional Justice Research Network, and served as statistical consultant on a multi-national web-based survey of the Project on Science and Intellectual Property in the Public Interest.

- 2005 Consulting Statistician, Sierra Leone Survey *Washington, DC*
 American Bar Association Central European and Eurasian Law Initiative
 and African Law Initiative
Designed data analysis and prepared report for Sierra Leone Survey
- 2004 - 2005 Consulting Statistician *Paris, France*
 METAGORA, Office for Economic Cooperation and Development
Served as an expert adviser to projects in Mexico, South Africa, Sri Lanka, the Philippines, and Palestine.
- 2003 - 2004 Documentation Coordinator *Freetown, Sierra Leone*
 Sierra Leone War Crimes Documentation Project
 Central European & Eurasian Law Initiative and African Law Initiative
 American Bar Association
Coordinated all aspects of a national human rights survey of Sierra Leonean population. Designed sample and questionnaire, oversaw translation and conducted field review of questionnaire, determined fieldwork logistics, oversaw a staff of two office support personnel, three team leaders and 22 interviewers during data collection phase.
- 2003 - 2004 Consulting Statistician *Freetown, Sierra Leone*
 Sierra Leone Truth and Reconciliation Commission
Provided data analysis expertise and support to Database Staff of the Truth and Reconciliation Commission for Sierra Leone.
- 2003 Consulting Statistician *Dili, Timor Leste*
 Commission for Reception, Truth and Reconciliation in East Timor
Contributed to the development of CAVR's Retrospective Mortality Survey (RMS) Questionnaire, developed training materials for the enumerators and field supervisors, conducted a field review and oversaw the translation and back-translation of the questionnaire, led enumerator and field supervisor training, and advised CAVR's RMS Field Coordination team about implementation of the RMS fieldwork.
- 2003 Consulting Statistician *Boston, MA*
 Physicians for Human Rights
Field work in Iraq; advised field team on questionnaire and sample design for a human rights survey in southern Iraq. Coordinated data entry for survey.
- 2001 - 2003 Consulting Statistician *Washington, DC*
 American Association for the Advancement of Science
Designed multiple systems estimation-based analysis of data collected on human rights abuses in Peru, 1980-2000. Co-authored report on analysis. Undertook one week field mission to explain analysis and report to Peru military officials, government officials, and Comisión de la Verdad y la Reconciliación staff. Co-designed multiple systems estimation-based analysis of data collected on human rights abuses in Kosovo, March-June 1999. Co-authored report on analysis.
- 2000 - 2003 Research Assistant *Pittsburgh, PA*
 Department of Statistics, Carnegie Mellon University
Research: multiple systems estimation, record linkage.

- 1999 - 2000 Mathematical Statistician *Suitland, MD*
 Planning, Research, and Evaluation Division, U.S. Census Bureau
 Small Area Estimates Branch, U.S. Census Bureau
Research: hierarchical Bayes, small area estimation, record linkage, variance estimation, multiple systems estimation, administrative records.
- 1998 Research Assistant *Pittsburgh, PA*
 Department of Psychology, Carnegie Mellon University
Produced software package for use in cluster analysis of time series voxel data from large functional magnetic resonance imaging datasets.
- 1996 - 1997 Research Assistant *Pittsburgh, PA*
 Department of Statistics, Carnegie Mellon University
Tested and improved FIASCO, a statistical analysis package for functional magnetic resonance imaging data.

TEACHING

- 2013 - 2015 Adjunct Instructor *Takoma Park, MD*
 Mathematics and Statistics
 Department of Mathematics and Statistics, Montgomery College
 Courses taught or in progress include: Math 080, Math 093, Math 096, Math 117, and Math 150.
- 2004 - 2007 Training Materials Coordinator *Paris, France*
 Chair, Training Materials Task Force
 METAGORA, Office for Economic Cooperation and Development
Designed and led the development of a web-based set of training materials on democratic governance and human rights monitoring and measurement.
- 2002 - 2003 Associate Instructor *Pittsburgh, PA*
 Introduction to Probability and Random Processes
 Department of Statistics, Carnegie Mellon University
Managed two semester-long undergraduate courses. Coordinated five-six grading assistants, managed grading process, held office hours, maintained Blackboard web site.
- 2002 Lab Coordinator *Pittsburgh, PA*
 Introduction to Statistical Methods
 Department of Statistics, Carnegie Mellon University
For one semester, coordinated five laboratory classes for 200 students combined. Presented mini-lectures at beginning of labs. Ran weekly makeup lab sessions.
- 2001 - 2003 Teaching Fellow *Pittsburgh, PA*
 Eberly Center for Teaching Excellence, Carnegie Mellon University
Observed and provided feedback for graduate student teaching assistants and instructors at Carnegie Mellon University.
- 1998 Head Teaching Assistant *Pittsburgh, PA*
 Introduction to Probability and Random Processes
 Department of Statistics, Carnegie Mellon University
For one semester, coordinated five grading assistants, taught occasional lectures, ran review and special topic sessions, held office hours, produced solution sets, designed and maintained course web site.

- | | | |
|------|--|----------------|
| 1998 | Instructor
Introduction to Probability and Random Processes
Department of Statistics, Carnegie Mellon University
<i>Taught summer undergraduate course.</i> | Pittsburgh, PA |
| 1998 | Head Teaching Assistant
Introduction to Probability and Statistics II
Department of Statistics, Carnegie Mellon University
<i>For one semester, coordinated two grading assistants, ran review sessions, held office hours, produced solution sets.</i> | Pittsburgh, PA |

PRESENTATIONS

1. **Asher, J.** (2017). "A Cross-Disciplinary Review of Record Linkage Methodologies." Topic contributed presentation at the Joint Statistical Meetings (Baltimore, Maryland), tbd.

2. **Asher, J.** (2014). "Using a First-Year Statistics Course to Enhance Retention." Presentation at the 1st Maryland Collegiate STEM Conference (Germantown, Maryland), November 1, 2014.
3. **Asher, J.** (2009). "Developing and Using Surveys to Estimate Casualties Post-Conflict: Developments for the Developing World." Invited Presentation at the Casualty Recording and Estimation Conference (Pittsburgh, Pennsylvania), October 24, 2009.
4. **Asher, J.** and Kisielewski, M. (2009). "Informing the findings of Truth and Reconciliation Commissions." Invited presentation at the Annual Meeting of the Institute for Operations Research and the Management Sciences (INFORMS, San Diego, California), October 15, 2009, and the Washington, DC Chapter of INFORMS monthly meeting, September 29, 2009 (McLean, Virginia).
5. **Asher, J.** (2009). "Methodological Innovations in the Collection and Analysis of Human Rights Violations Data." Invited presentation at the Department of Mathematics and Statistics at American University (District of Columbia), February 10, 2009.
6. **Asher, J.** (2008). "Developing Surveys for Developing Countries." Invited presentation at the Fall 2008 Colloquium Series of the Department of Statistics at the University of Virginia (Charlottesville, Virginia), November 5, 2008.
7. **Asher, J.** (2008). "Putting all of the Data Together." Invited presentation at the Annual Meeting of the American Association for the Advancement of Science (Boston, Massachusetts), February 16, 2008.
8. **Asher, J.** (2007). "Discussion of the Special Interest Group on Statistical Volunteerism." Invited presentation at the Joint Statistical Meetings (Salt Lake City, Utah), July 29, 2007.
9. **Asher, J.** (2007). "Outline of the Survey in Four Countries." Invited presentation at the International Conference on Effects of Intellectual Property Protections on the Conduct of Scientific Research (Tokyo, Japan), March 19, 2007.
10. **Asher, J.** (2007). "Survey Process and Methodology." Invited presentation at the Symposium on Effects of Intellectual Property Protections on Scientific Research: Results of a Survey of U.S. Scientists (Washington, DC), January 16, 2007.
11. **Asher, J.** (2006). "Results and Lessons of the Sierra Leone Human Rights Violations Survey." Guest speaker at the 3rd Annual Symposium of the Human Rights Accountability Coalition (Colombo, Sri Lanka), December 14, 2006.
12. **Asher, J.** (2006). "Grim Statistics: Designing Questionnaires in the Traumatized Developing World." Invited presentation at the Interagency Response Error Group meeting (Suitland, MD), September 6, 2006. Based on Mejia, R. (2006). "Grim Statistics." *Science*, **313**, pp. 288-290.
13. **Asher, J.** (2006). "How Does Patenting Affect Access to Inventions for Research Purposes? Results from a 2005 Survey of AAAS Members." Invited presentation at the Spanish National Research Council (CSIC) / Spanish Patent and Trademark Office (OEPM) / Office for Economic Cooperation and Development (OECD) Conference on Research use of Patented Inventions (Madrid, Spain), May 18, 2006.
14. **Asher, J.** (2005). "Methodological Innovations in the Collection and Analysis of Human Rights Violations Data." Thesis proposal for the Department of Statistics, Carnegie Mellon University (Pittsburgh, PA), June 3, 2005.
15. **Asher, J.** (2005). "Questionnaire Design Methodology for a Study of Human Rights Abuses during the Armed Internal Conflict of Sierra Leone." Seminar for the Washington Statistical Society Seminar Series (Washington, DC), May 25, 2005.

16. **Asher, J.** (2005). "Working with Statistical Data (to Monitor Health from a Human Rights Perspective)." Part of the *Using a Human Rights Framework to Monitor and Promote Health Workshop* at the Lessons Learned from Rights Based Approaches to Health conference (Atlanta, GA), April 16, 2005.
17. **Asher, J.** (2005). "A Study of Human Rights Abuses during the Sierra Leone Armed Internal Conflict." Panel presentation at the Lessons Learned from Rights Based Approaches to Health conference (Atlanta, GA), April 15, 2005.
18. **Asher, J.** (2004). "Creating human rights violations statistics from survey and interview data." Seminar, National Institute for Statistics and Economic Studies (Paris, France), January 7, 2004; invited presentation at the IMS-ASA's SRMS Joint Mini Meeting on Current Trends in Survey Sampling and Official Statistics (Kolkata, India), January 2, 2004.
19. **Asher, J.** (2004). "Use of probing questions to explore respondent understanding of time in East Timor." Contributed poster at the IMS-ASA's SRMS Joint Mini Meeting on Current Trends in Survey Sampling and Official Statistics (Kolkata, India), January 2, 2004.
20. **Asher, J.** and Ball, P. (2003). "Estimating the Number of Disappeared." Invited presentation at the ENAR Spring Meetings (Tampa, FL), April 1, 2003.
21. **Asher, J.** (2002). "An Introduction to Multiple Systems Estimation for Estimating a Count of Adverse Events." Invited presentation at the DIMACS Working Group meeting on Adverse Event/Disease Reporting, Surveillance, and Analysis (Rutgers, NJ), October 16, 2002.
22. **Asher, J.** (2002). "Five Questions Journalists Should Ask Scientists - and Why Good Journalism is Essential to the Scientist." Invited presentation at the Mapping the News Conference (Washington, DC), September 29, 2002.
23. **Asher, J.** (2002). "Developing and Applying Statistical Methods for Human Rights Violations Measurement." Invited presentation at the International Seminar on Statistics and Indicators for a National Human Rights Diagnosis: Case of Torture in Mexico (Merida, Mexico), April 3, 2002.
24. Fienberg, S., **Asher, J.**, and Ball, P. (2002). "Estimating the Number of Human Rights Violations using Extensive Observer Reports." Invited presentation at the ENAR Spring Meetings (Arlington, VA), March 20, 2002.

HONORS AND AWARDS

- Marquis Who's Who in America, 2011, 2012, 2013, 2014, 2015, 2016.
- Inducted into the Phi Theta Kappa chapter at Montgomery College, 2014.
- Departmental Teaching Award, Montgomery College, 2014.
- Elected Member, International Statistical Institutes, 2010.
- Fellow, American Statistical Association, 2009. "*For excellence in the application of statistical methodology to human rights and humanitarian measurement problems; for leadership toward placing human rights violations research on a sound statistical basis; and for service to the profession.*"
- Funded participation as invited speaker at AAAS Annual Meetings, by Section U (Statistics) of the American Association for the Advancement of Science, 2008.
- Graduate Student Conference Funding, 2005 (presented by the Graduate Student Assembly, Graduate Programs Office, and Provost's Office, Carnegie Mellon University).

- Graduate Student Teaching Award, 2003 (presented by the Department of Statistics, Carnegie Mellon University).
- Graduate Student Fellowship to the International Conference on Questionnaire Development, Evaluation and Testing Methods, 2002.
- SIE Travel Award to the DIMACS Working Group meeting on Adverse Event/Disease Reporting, Surveillance, and Analysis, 2002 (presented by the Section on Statistics in Epidemiology of the American Statistical Association).
- Edward C. Bryant Scholarship to honor an outstanding graduate student who is studying survey statistics, 2002 (presented by the American Statistical Association).
- 2002 Special Achievement Award from the Social Statistics Section of the American Statistical Association, 2002. *"For bringing energy and expertise to all she does for our profession, especially for working tirelessly to turn statistics into a tool to combat injustice wherever it is found. Her intellectual force and passion lift all those who know her to a higher level."*
- Inducted into the Phi Kappa Phi chapter at Carnegie Mellon University, 2001.
- March Employee of the Month at the Household and Housing Economic Statistics Division of the U.S. Census Bureau, 2000.
- Cash award from the U.S. Census Bureau for redesign of the Small Area Income and Poverty Estimates web site, 1999; training of incoming employees, 2000; and work on the Administrative Records Experiment of the Planning, Research, and Evaluation Division, 2001.
- Carnegie Scholar Fellowship from Carnegie Mellon University, 1997 - 1999.
- SURG Research Fellowship from Carnegie Mellon University, 1997.

PROFESSIONAL OFFICES

- Member, Faculty Senate of Montgomery College Takoma Park/Silver Spring, 2014-2015.
- Member of the Committee on Gay and Lesbian Concerns in Statistics of the American Statistical Association, 2011.
- Member of the Committee on Scientific Freedom and Human Rights of the American Statistical Association, 2009-2011.
- Program Chair-Elect and Program Chair for the Social Statistics Section of the American Statistical Association, 2007-2008.
- Member of the Committee on Professional Ethics of the American Statistical Association, 2004-2006.
- Publications Officer of the Section on Risk Analysis of the American Statistical Association, 2004.
- Program Chair-Elect and Program Chair for the Section on Government Statistics of the American Statistical Association, 2003-2004.
- Chair of the Wray Jackson Smith Scholarship Committee of the Section on Government Statistics, 2003-2004.
- Representative-at-Large for the Caucus for Women in Statistics, 2002-2003.
- Founding Member of the Wray Jackson Smith Scholarship Committee of the Section on Government Statistics, 2001-2003.

- Membership Chair for the Caucus for Women in Statistics, 1999-2001.

PROFESSIONAL SERVICE

- Organizer, JSM 2017 Topic Contributed Session, "Current Themes in Record Linkage Research," tbd.
- Member, Indefinite Delivery Indefinite Quantity Review Committee, Substance Abuse and Mental Health Services Administration, Department of Health and Human Services, January 9-12, 2017.
- Member, Proposal Review Committee, Substance Abuse and Mental Health Services Administration, Department of Health and Human Services, January 13, 2015.
- Faculty Advisor, Chess Club, Fall 2014.
- Invited Participant, Global Experts Meeting on the Urban Safety Monitor, United Nations Programme for Human Settlements, May 15-16, 2014.
- Panelist, 2011 AAAS Annual Meeting Career Development Workshop, "Scientists Working for Human Rights: Approaches to Effective Engagement," February 19, 2011.
- Featured resource practitioner, "Participatory Research for Action," New Tactics in Human Rights, November 17-23, 2010.
- Organizer and Discussant, JSM 2010 Topic Contributed Session 68, "Recent Record Linkage at the U.S. Census Bureau," August 1, 2010.
- Substance Abuse and Mental Health Services Administration, proposal review, July 2010.
- Participant, Expert Consultation on Human Rights Indicators, United Nations Office of the High Commissioner for Human Rights, June 24-25, 2010.
